NOTES 📝

DEEP CLEANING

- ✓ **Kitchen:** Wipe down countertops, cabinets, tables, chairs, and appliances (including the microwave). Sweep, vacuum, and mop the floors. Dispose of trash and replace liners.
- ✓ **Bathroom:** Polish mirrors, clean sinks, scrub the shower and bathtub, sanitize the toilet, wipe down doors and baseboards, then vacuum and mop the floors.
- ✓ **Bedroom:** Dust surfaces, make the bed with fresh linens (if provided), dust blinds, ceiling fans, and vents. Clean windows, mirrors, and light fixtures.
- ✓ **Other Areas:** Clean glass doors, windows, baseboards, decorative items, sofas, shelves, and stairs. Sanitize kitchen sinks and mop floors

GENERAL CLEANING

We offer a comprehensive deep cleaning service for your home, followed by regular maintenance to ensure it remains spotless and hygienic. Our meticulous approach covers every surface, including the kitchen, doors, baseboards, cabinets, countertops, appliances, blinds, windows, and mirrors, so your space always looks the best.
